General Sponsor

A general sponsor does not have a coach already selected to coach their team and is willing to be assigned to any available coach, age group, or sport (baseball or softball).

A general sponsor may request a particular age group or sport and the sponsorship commissioner will make every effort to comply with the request, *however*, it cannot be guaranteed. General sponsors are assigned on a "where needed" basis and the age group or sport requested may not have any available unsponsored teams. *If* CYB can comply with the requested age group and sport, a general sponsor also has the *option* of naming a particular player who is registered with CYB in that age group as their "sponsor pick".

Please check one:

Sponsor has no preference as to sport or age group.
